You Can Do We Can Help

Hi Joe,

I am faxing everything to you. I am having a hard time reading the e-mail address. This is the address I did e-mail the quote to: charman@washisd-wi.gov. Please do let me know if this is correct or not.

I did not send the quote to our volume discount program as of yet because it is better to do after all revisions are made. Please do look over the drawings and the quote. If you have any questions please do call me at 920-406-5313. I did not get any detail drawings done but I can do that if you need them.

I am faxing you my drawings, the truss drawings, and the information on the knee-brace stabilizers for the 6" x 6" angle supports on the post and the ABW standoff post base for the 6" x 6" post.

Please do let me know if you need any further information and if there are any revisions.

Thank you,

Jean
