- b. The dictionary defines "bona fide" as authentic, genuine, done or made in good faith, without deception or fraud. "Club" is defined as a group of people organized for a common purpose, especially a group that meets regularly. The definition of "club" in § 125.02(4) appears to be inapplicable to picnic licenses.
- c. If a municipal official has a question about whether an applicant qualifies as bona fide and has been in existence for at least six months, the official should request the following written documentation:
 - Confirmation that the organization has been in existence for at least six months prior to the date of application.
 - A list of the officers.
 - A copy of the bylaws or purpose for organization.
 - Information about the holding of regular meetings.
- d. An individual, partnership, or business corporation is not eligible for a picnic license. §§ 125.26(6) and 125.51(10). For example, the operator of a tavern, unless applying as a member or an officer of a bona fide club, lodge or society, etc. would not be eligible for a picnic beer license. However, a municipal governing body may issue a temporary Class "B" (picnic) beer license for premises that are covered by a "Class B" permit issued under § 125.51(5)(b)2. (e.g., airport or public facility such as an arena, coliseum, or center for the performing arts) if the applicant qualifies for a picnic license.

2. ALLOWABLE SALES OR SERVICE:

The temporary Class "B" (picnic) beer license authorizes the sale or service of fermented malt beverages (e.g., beer and wine coolers with a fermented malt base). The temporary "Class B" (picnic) wine license authorizes the sale or service of wine. For a definition of "wine" see KEY DEFINITIONS, #11, at page 1. A licensee must hold both licenses to sell beer and wine at the same event.

3. DELEGATION OF AUTHORITY TO GRANT PICNIC LICENSES:

Municipalities may delegate the authority to issue picnic beer and wine licenses to a municipal official (e.g., the clerk) or body. §§ 125.26(1) and 125.51(1)(a).

4. LIMITATION ON THE NUMBER PICNIC LICENSES WHICH MAY BE ISSUED TO THE SAME ORGANIZATION:

There is no limit on the number of temporary Class "B" (picnic) beer licenses that may be issued to an eligible organization in a calendar year. However, not more than two temporary "Class B" (picnic) wine licenses may be issued to an eligible organization in any 12-month period. § 125.51(10), Stats.

One license per event

5. FEE:

The fee for a temporary Class "B" (picnic) beer license is determined locally but may not exceed \$10. § 125.26(6) The fee for a temporary "Class B" (picnic) wine license is \$10. § 125.51(10). An applicant may obtain both types of picnic licenses (beer and wine) for the same \$10 fee. § 125.51(10).
