November 15, 2013

Town Board,

In 2011 the town board approved the police department to process license plate applications and conduct concealed carry classes. As part of this decision, the board had agreed to allow the police department to request these funds for non-budgeted items. As of Nov. 15, 2013 our records show that we have placed into the general fund approximately \$1,898.14

The Washington Island Police Department is looking at purchasing non-budgeted items for the department. We would like to purchase two LED scene lights that will be mounted on the front push bar of each squad. The light will be used to light up accident scenes and crime scenes. The scene light will also provide officer safety and safety to others in the area. Total for lights will be \$574.50

We would also like to purchase from the same fund updated investigative tools. Officer Schultz attended the Evidence Technician course this past April. This class has shown us how behind the times we are in some of our investigative equipment. Our main concern in is our photo and evidence collection equipment. We have priced out and would like to purchase a AF Digital Flash Kit (1=134.00), Ravelli Tripod (1=93.33), close up macro Lens (1=200.00), Manfrotto bench clamp kit (105.00), Bayco lights for magnet lights for pictures(2=72.00), 1700 Pelican hard case(196.99), 8gb SD cards (4=32), 5.2x14.4 Gellifters (3=30.90), snow impression wax (2=31.90), Gray Mikrosil Casting putty (29.00), J- Lift 3 different sizes (2=43.00), Plastic evidence hinged cutout tents (45.00), assorted crime scene templates (30.90), anti static evidence bags (20.50), disposable casting frames (10.00). Total for all evidence collection materials would be approximately \$1074.52 most of the items have free shipping.

With the two purchases we would be spending approximately \$1660.00, carrying over a balance of \$240. in the general fund.

With your approval our department will purchase before the end of this budget year.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Tyler McGrane', written over a horizontal line.
