DEAR VALERIE CARPENTER

Enclosed are orders from the Department of Natural Resources designating Managed Forest Law (MFL) land. They take effect January 1, 2016 and will first affect the landowners' property tax bills for the 2016 assessment. Copies have also been sent to the Register of Deeds for recording.

Please be aware of any Withdrawal and Re-Designation Orders. Under s. 77.82 (4) (g) b., Wis. Stats., a pre-2005 MFL order may be withdrawn (without a withdrawal tax and fee) and re-designated with additional contiguous lands under a new MFL order. In your records, the original order should be replaced with this new order.

You can refer to the Managed Forest Law, s.77.80 - s.77.91, Wis. Stats. and ch. NR 46, Wis. Admin. Code, for details about the program. Note that property can be removed from MFL designation only by an order issued by the department.

If you need more information or if you find any errors, please notify the Forest Tax Program at the address below:
