Manager's Report:

The staff reported to Katie that there is interest in the Rec opening earlier in the afternoon during the week. After discussion it was decided we will have a survey at the desk asking members their opinion on different options of opening and closing hours. We will then decide on any changes at the February meeting.

The pool cover installation will be done in March. This will require emptying the pool so the Rec Center will be closed down during this time. The pool will also get an acid wash at that time. We will coordinate the spring cleaning with this closing time and the repainting of the locker room/bathrooms.

Katie suggested ceiling fans in the lobby area and Mosling room. This would be easier than all the free standing fans normally used. This can be done during the spring cleaning time.

Old business:

We will check with the town office to see if the Rec Center Committee can be 7 members so that we have an odd number. If we do need 8 we will post that we are looking for one additional committee member. They should inquire by February 15th.

New business:

The computer has been having a problem with backing up our information. Chris Haertig came in and repaired the problem. Chris will now come in once a month to do a computer maintenance check.

Tiana Heal will be an additional volunteer if needed during the swimming classes.

The next monthly meeting is scheduled for Thursday, February 18th, 2010.

A motion to adjourn at 8:40 PM was made by Kelly, seconded by Willy. Motion carried.

Respectfully Submitted by Kelly Jorgenson
