

*Washington Island Airport*

**Town of Washington**  
**Washington Island Airport Committee Meeting**  
Saturday, November 9<sup>th</sup>, 2013 9:00 a.m.

**Recommendation**

At the special meeting of the Airport Advisory Committee, November 9th, 2013, the Committee reviewed the three applications for engineering services forwarded by the Bureau of Aeronautics/DOT. This is for engineering on anticipated airport improvements.

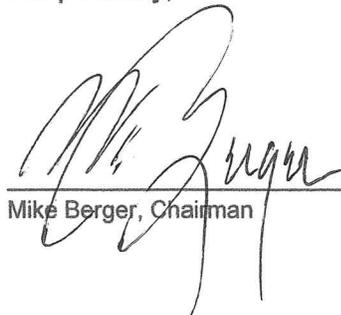

While the Bureau may make the determination, the Bureau desires to be interactive with the Town and looks to the Town's involvement and approval in the selection process.

The Airport Advisory Committee recommends to the Town Board for approval of the following engineering associates in the order of interest:

- A) Mead & Hunt, Inc., Green Bay, Wisconsin
- B) OMNI Associates, Appleton, Wisconsin
- C) MSA Professional Services, Madison, Wisconsin

We respectfully submit this recommendation and seek approval from the Town Board, with the results to be forwarded to the Bureau of Aeronautics.

Respectfully,

  
\_\_\_\_\_  
Mike Berger, Chairman
