Ladder on 21- tested for regular ladders. Foam on 21 is up and running. Eductor from Engine 6 is on 21.

Generator is set to go. Bob and Pete will test it.

Walt Nehlsen will have the doors at the airport rewired so they will work.

Member training -- foam on fire truck

Equipment update Flashlights distributed.

Run review

Chimney fire --the equipment van should be the first to leave the station.

Alarm @ school. Electrical work was being done, need to reset system

Velkomen

Old Business

Party at Sunset was great . Thanks Lee and Janet.

New Business

Paul met with Chris Hecht and Calab to look into a hybrid entry lever 1 &2. Fighter 1 for next spring and summer

Ropes course -- need to have the cost looked into. Scott Rickman would do the course.

New chain saw -- Linda moved, Ann seconded that we look into having it fixed or replaced. Joel will take it down to Herlache.

CO2 detector- Old MSA is getting long in the tooth. New meter does 4 gases with one button use. Eric can get one for \$600. He will send one up for us to play with. He will leave thermal imaging camera.

Cost for new one is \$4,000.

Pancake breakfast- Ross has set up sausage to make things go smoother. Pete would like to have more of an open house.

Lou- Radios are working on Door Fire.

Tom Taylor & Tom Block got the door on the burn building.

New liner for drop tank.

Pete Nehlsen moved, Robb seconded, meeting adjourned @ 8:40 p.m.

Respectfully submitted,

Linda Taylor,Secretary
