

**WI Parks Committee
MINUTES
August 11, 2015**

Present: Randy Sorensen, Liz Holmes, Cheri Miotke, Jill Jorgenson, Donna Benson, Ron Overdahl.
Guests: Mary Marik, Rich Walker

2. Minutes from July 21, 2015 meeting read and approved.
3. Correspondence & Communications

Discussion regarding town property south of Margie Frank's for an open public area allowing dogs. Recommendation will be brought to the Town Board for approval. Ron O. asked that the dead pine in front of Community Center be replaced. Randy S. will talk to Daniel Nerenhausen about replacement.

4. **Heritage Trail** – Randy S. will remove numerical plaques from the Heritage Trail this fall. The trail will become just a Nature Trail. **Sand Dunes Park** – Rich Walker would like to see a reduced speed limit sign before the corner heading south to the parking lot, because of children and people milling in the road at the parking lot. A recommendation will be brought to the Town Board re: some sort of caution sign being posted. Because this is a county road, the county will have to be contacted regarding this. **Mountain Park** – Town reached an indemnity agreement with the owner. It will assume liability responsibility for the park. **Percy Park** – the new pit toilets have yet to be installed. **Ball Park** – resolution passed that 'No Dogs Allowed' at any and all ball games, not even in cars. This will take effect in 2016.

The County will be treating the island shoreline for phragmites this fall. A recommendation will be brought to the Town Board to contribute \$450.00 towards this treatment.

It was suggested that the police officers should get out of their cars and walk the beaches to be seen.

5. **Next meeting, Tuesday, Sept. 8, 2016, 4 PM in Rutledge Room.**
6. Meeting adjourned at 4:50 PM.

Respectfully submitted by,
Donna Benson
