Agenda Items

Kitchen Remodel

Mike Kickbush report – Took “tour” of existing kitchen, Ew. We'll have all cleanable surfaces, drop ceilings, a new floor. Looking into Luxury Vinyl Tile. Not closing door to the south west off. Would need building permit and reframing. The existing cabinets will go. Thinking about open stainless steel. Perhaps we should look at Sailor’s Pub kitchen. Town crew would do demolition. Wondering what’s in the ceiling. HVAC would be a rooftop unit..

2 HVAC proposals, HVAC Design Solutions LLC and Rapette Engineering, both look qualified. Fire suppression has to be approved by the state. Gillette will issue building permit, Mike suggests cheaper route, should schedule now. State fees are reimbursable. Rapette is cheaper, does not require \$850. We approved. Emily motioned to hire Rapette, Howard seconded.

Ideas for relocating Senior Luncheon are Trinity, Bread and Water, and Bethel. Maybe taking turns?

Wondering if existing plumbing will be enough, talking to John Nickchen.

Thinking about pot filling faucet, concession stand door stays, will have stainless steel prep space with 1 shelf.

Scandinavian Dance Festival – Kari Gordon reported there are 108 dancers, Jonathon Bass is playing as community service. Tamar Gregg will also play along with Barb O connell and Joan Reynolds. Samantha George will play violin with Jenny Munao (weather permitting).

Banner – Vistaprint pd \$10 for 3 designs, on mesh, we like light blue border best, \$107,
