

Community Center Committee Minutes from Nov. 16, 2017

1. **Call to Order** – 7:08
2. **Approval of Minutes** – Jim moved (well we were all "moved" by the minutes but Jim made a motion to approve), Denise second
3. **Treasurer's Report** – CCC gave \$1,825 for swim lessons to the Rec. We have \$51,519.95 in

Our account.

4. **Swim lessons** - At the First of the year we will pay \$2,250 to Rec. They will no longer charge for swim lessons. Emily will clarify a 3 absence rule for swim lessons. Swim lessons start Jan. 8th
4. **Social media**- Emily will make Facebook accessible to all committee members. Our email is wicomcommunitycenter@gmail.com password is...wait for it...it's crazy..."community center"

There are no quotation marks but there is a space. Committee members will be taking pictures of themselves in various CCC funded areas and should have pics in by next meeting to put on FB page

5. **Red Barn- Playground**-the cost of swings should be looked into, ordered and installed around springtime. **Bathroom**- soil passed for a standard system, have to remove building, that would cost \$40-50,000. To retrofit it may require more pumping like Rock Island. Emily will email Dan Hansen with info and see where we go from here
6. **Kitchen**- Emily hasn't heard back from the aging and disability resource about the appliance donations. Bergers are willing to donate money to kitchen project. Emily and David have measured and started to put together a needs list. Commercial plan has to be approved by Wisconsin Dept. Of Ag. Trade and Consumer production. Nelvie can only work in kitchen if we upgrade to commercial. Trinity can be a backup for senior lunches. We may want to take a field trip to Algoma or Sturgeon Bay to see their community type kitchens.
7. **2018 Island Party**- It is illegal to mail raffle tickets, so we'll stop doing that. We can sell at the door. Town needs class B license for the 50/50. Theme will be Red Carpet/Hollywood. Dress as your fave character. Donna will talk to Lois about food and venue and Denise will look into new fundraising ideas.
8. **Next meeting** is Jan. 18th at 7pm
9. **Adjournment** – 8:40 p.m.

I realize there are two "4"s on this list. My computer wouldn't let me change it. Ugh.
