Town of Washington
Dentist

The Town of Washington (Washington Island) is seeking a year-round or seasonal dentist to replace Thomas J. Rehrauer who is unable to continue for personal reasons. He replaced Tom Wilson of Sister Bay who served as the Town dentist for many years. Service has been provided two days per week, on the average, as scheduled by each dentist.

A Door County dentist interested in supplementing their income with Island patients, or one wanting to reduce their services to two days per week, might want to consider this Island opportunity.

A fully equipped newly renovated dental facility is provided in the Community Center on Main Road. It is a 30 minute ferry ride from Northport to the Island and transportation to the dental office can be arranged.

For more information contact Gordon Jaeger, Town Chairman at 920-535-0777.
