Hi everyone, These are pretty short minutes, feel free to add anything. Hard to believe, but the nearly 2 yr old Lucia did not improve my note taking abilities.

CCC Meeting 6pm Rutledge Room June 27, 2019

Here - Emily S. Liz P. Masha G. Denise K., Mike K. and Baby Lucia... who makes a lot of noise throughout the meeting.

Call to Order - 6:06

Approval of Minutes - will do next time

Treasurer's Report - Jim is absent

Old Business -

Kitchen Remodel - Tables screwed to wall, new lights, new outlets, fridge and freezer are good, grease trap is in, hand wash sink in, produce sink in. Next, Synergy sends report to engineer, who sends to state, who lets us know if we are compliant. CCC should get kitchen fees but pay for maintenance. What about electricity and liability? Should have grand opening/open house in fall. Still need list of utensils.

*Notes throughout are sparse because Baby Lucia will not be ignored.

Observer /contributed ads - Emily wrote them a letter

Trash can/ Bike rack - town has trash can, we will order lid. We'll deal with bike rack later

Next meeting is July 24th at 6pm, we will invite Kari Gordon. (I actually thought it was tonight which is why you are getting minutes the day before the meeting instead of the day of the meeting)

Adjournment at 7:01
