

ZONING AND PLANNING MTNG CANCELLED

The Zoning and Planning meeting scheduled for 4:00 PM Thursday, March 26 has been cancelled until further notice.

Washington Island Food Pantry COVID-19 Pandemic Response

In response to the COVID-19 Health Emergency Declaration, the Washington Island Food Pantry has modified its income eligibility requirements and food distribution protocol. To enable immediate access to food when abrupt wage or job loss occurs, eligibility is now based on self-declared combined household current **weekly income** (see table).

Household Size	As of TODAY, my Weekly Combined Household Income is less than:
1 person	\$454/week
2 people	\$613
3 persons	\$773
4 persons	\$932
5 persons	\$1092
6 persons	\$1251

To eliminate person-to-person contact between food pantry clients and volunteers, the pantry is now following a “no contact” food distribution protocol. Interaction between food pantry clients and volunteers for food assistance will be done by phone or email. All distributed food will be pre-packed by pantry volunteers and delivered to clients’ vehicles while they remain in the vehicle.

The Pantry will continue to distribute food at Trinity Lutheran Church from 2-4 p.m. on the fourth Monday of every month. For those unable to come to the pantry on distribution day, or in cases of emergencies, other arrangements can be made. For more information or to arrange for food assistance, call Amy Rose at 920-535-3035 or Dan Westbrook at 920-750-9265.
