

Opening on the Clinic Advisory Committee

Unfortunately, Alan and Maryjeanne Schaffmeyer are moving off the Island, which creates a vacancy on the Door County Medical Center Clinic Advisory Committee.

The Clinic Advisory Committee is the mechanism by which the Town of Washington and Door County Medical Center communicate input and feedback to one another regarding the Clinic, principally to aid in successful alignment of purposes. The Committee is not a body of either the Town of Washington or Door County Medical Center, and has no formal standing or authority in the governance structure of either party.

By the existing contract, there are six members on the committee, three from the hospital, and three from the Town. The current meeting schedule for the Committee is quarterly.

Upcoming activities include working on a contract extension with Door County Medical Center (for the Clinic here on Washington Island), and quarterly review and input to the Quarterly Metrics Dashboard.

If you are interested in serving on this Committee, please submit your name, contact information and any reason(s) or qualification(s) which you feel might be relevant to helping the Town Board make a final selection for the Committee.

Self-nominations may be submitted via email to: Chairman@washingtonisland-wi.gov, mailed to the Town Office at PO Box 220, Washington Island Wisconsin 54246, or dropped off at the Town Office.

Please submit your self-nomination by November 16th, 2020 so that the Town Board may take action at the next regularly scheduled meeting.

Thank you in advance for considering this opportunity to help serve your community

Richard Tobey
