POSTING FOR AN OPENING ON THE MEDICAL SERVICES COMMITTEE

As many of you know, MaryJeanne Schaffmeyer is moving away. This will leave our Committee with an opening for a new member.

This is a 'Working' Committee, we meet every month on the second Thursday at 6PM

Currently we are working on bringing a Dentist to the Island, having certain prescriptions delivered 'same day' or 'next day', via the ferry, and exploring whether we could support a Physical Therapist here on the Island, privately, or through DCMC. We have recently been given the responsibility of the Community Van and are getting that up and running with a 'COVID' Protocol in place. We have also assisted our new Audiologist, Kate Hopkins, in finding a space to serve her clients

If you have an interest in working to find ways to provide increased access to Medical Services available on the Island, this may be an area where you can join with others to make a difference in the health and well-being of our residents and visitors in the community.

If you are interested, please write a letter to: Town Chairman, P.O. Box 220, Washington Island, WI 54246 (or drop it off at the Town office)

Please include your Name, contact information, your interest in this committee, and any qualifications or skills that you feel would be helpful to the committee, and ultimately the Community.

Self-Nominations must be delivered before November 13, 2020 to be included in agenda for the Board Meeting, November 17, 2020.

If you have more questions regarding the Committee, please call Sue Tobey, secretary, at 989-430-4004
