Easter/Spring Event – after discussion, we decided not to have an event this year.

Swim lessons payout/Rec donation – We will pay a pro-rated amount of money (562.50) to the rec this year for the one round of swim lessons they were able to provide. We will assess funds at the end the year and see if we can spare more.

Old Business

Island Party/Island Rides

food – Island Adventure is donating main dish of smoked brisket, woot! We will come up with pre-made slaw and beans. Mary offered to make dessert! Maybe ask Donna as well. Need a kitchen person. Will ask Sara Sorensen or Karen Taylor.

rough draft letter/flyer- Emily's got this going and it will be ready to go soon.

number of spots/stalls divide – fifty six over all the parking spots accounting for space in between cars.

reusable containers/merch - Yes! The price seems reasonable for some cool containers with our logo on it to serve food in. Let's do it!

sweepstakes prizes – divide – we divvied up who calls who for what donations. Everyone on the board should try to get about 8 participants.

music – Liz will talk to Kevin about sound from the TPAC, Or her husband about using some large speakers. Dave also has some outside speakers that could be used. Probably will play some dirty rap music with lots of cursing for the event...Oh whoops, I was getting this confused with my 3 yr old daughters bday party I'm planning. We will probably play oldies.

Envelope stuffing/mailing timeline – April 10th ish, we will divvy up the goods and we will all get to stuffing.

COVID precautions – Guests should stay in cars as they drive through, instructions will be on maps that are handed out. Anybody in violation of the rules will be forced to wash all vehicles entered in the event while wearing bikinis.

Next Meeting – April 6, 7pm

Adjournment – Hmmm...it was sometime that evening, let's go with 8:42, yeah, sure why not?
