

Solicitation for Interest in Serving on the Town of Washington IT Committee

Pursuant to Resolution 2019-12, there are openings for community volunteers to serve on the Washington Island IT Committee.

If you are interested in serving on the Committee, please write a letter of self-nomination and either drop the letter at the Town Office or mail to Town of Washington, PO Box 220, Washington Island WI 54246. It would be helpful if self-nominations include some discussion of qualifications for interest, such that the Board may differentiate between prospective candidates.
